

Hi, My name is Robert Berg

I have live here over 10 years and been on the security committee for over 7 years and chaired for 3 years. I served on the rules committee for 1 year.

When I was growing up, my father always taught me to give back to the community. He was captain of reserve police, head of Civil Defense, was in the volunteer fire dept, and Lion's club officer.

As I was growing up, I followed my father's footsteps and became a volunteer fireman. I joined the Navy and went into the Submarine service. When I came to California in 1969 I continued to find ways to serve the community I lived in. When my daughter went to Grant High School, I was the chairperson for the advisory council to the school. I was elected treasure of the Granada Hills Lions Club; and became member of the year. Later I served as charter president of the Granada Hills Optimist club. My current position is treasurer. Wanting to be of assistance during a disaster I trained to become a CERT member. I am 1of 3 in our community. I have been a businessman for the last 32 years; 25 years in Granada Hills. My name again is Robert Berg and VOTE FOR ME for Board Member

Robert Berg, A believer in giving back to our community.
